4. Reason for Change:			
To comply with customer requested certification requirements for inclusion of USP Chapter 87 & 88 testing on certificate of compliance where applicable. We have conducted additional USP material testing and can now offer this additional certification.			
5. Description of Change:			
Certificate of Compliance statements to be updated to include U.S.P. Chapter <87> and <88>, Class VI-121 degrees C. Current certificates only state USP Class VI. Change product label conformance certification from Passed U.S.P. Class VI Testing to USP 87, 88 Class VI and USP 87, 88 CLASS VI, 3A. Sample certificates and labels are included to illustrate the changes.
