

Rubber Fab

a Garlock Hygienic Technologies company

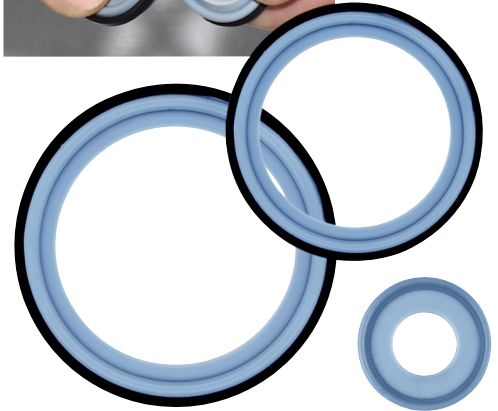

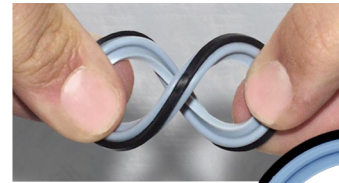

We now offer
8", 10" and 12"

Tuf-Flex® Unitized Envelope Gaskets

Rubber Fab's Tuf-Flex® sanitary gasket is the world's only unitized gasket, and is setting new standards for purity, performance and flexibility.

Tuf-Flex® is specifically designed to meet critical requirements in pharmaceutical, biotechnology, ultrapure water, WFI (water-for-injection).

Because Tuf-Flex® will not impart taste or odor, Tuf-Flex® is your ideal gasket for the Food & Beverage Industry.
