## Information - 06 - 2019 – Validation Solutions Brochure

Dear Partner,

with this document we would like to inform you that your European Rubber Fab team created a **new Validation Solutions brochure** for your sales and marketing purposes. You will find the low-resolution PDF version attached to this mail.

This brochure provides a great overview about many of Rubber Fab's specialty products on just a small number of pages.

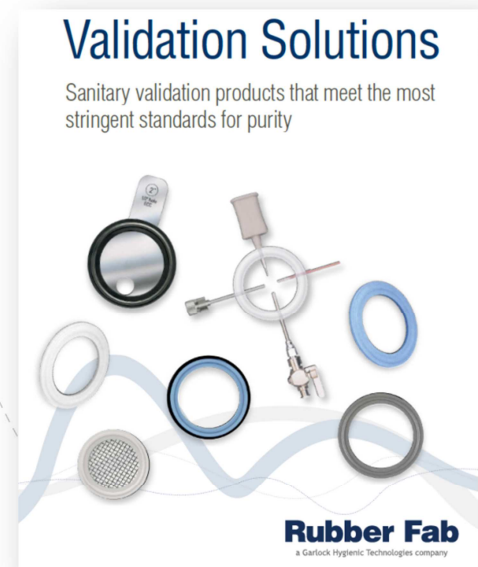

We are currently printing a package of brochures and will add a number of brochures to your next shipment.

Furthermore, if you like to print the brochure yourself for your future demand, please request a high-resolution version from us.

Please share within your company with whom it may concern! If you have any question, please contact us. Happy selling!

Best regards,

Dominik Wiese
