Information - 2020 - 09 - Web Portal

Dear Valued Partner,

With this document we are happy to announce the launch of Rubber Fab's web portal.

In the portal you will be able to find and download documents that are not available to the general public. In that way you will find following categories:

- Product literature
 - Brochures: EU Hose range
 - One-Pager: Tuf-Flex®, Tuf-Steel®, Gylon Bio-Pro®, etc.
 - Material selection guide
 - **Updated "Validation Solutions Brochure" in English (GB), French (FR) and German (DE)**
- Declarations / Certificates / Compliances
 - Gasket material Dossiers incl. Sample Certificate, Declaration of Compliances, Storage guidelines and other valuable information
- Price book
- Communication Documents
 - Change Notifications
 - Information documents
- Trainings
 - See pdf handouts from our webinars conducted during 2020 (reminder: recorded videos on [Rubber Fab's YouTube channel!](#))

The web portal can be accessed by a unique user name and password that will be provided to you after **registering on the site** (please see attachment "[RF_web_portal_registration_overview](#)").

Please share within your team and don't hesitate to reach out to us in case of any question.

Best regards,
Team Rubber Fab Europe
